

## Mining and Financial News

BY REVIEW LEASED WIRE

NEW YORK, Aug. 4.—Dealings in today's listless market differed in no essential particular from those of recent sessions. Except for the first hour which witnessed a fair average of dealing at moderately higher levels, the record was one of increasing apathy. Conflicting crop news, labor conditions which offered little encouragement, additional excellent railway earnings and the further easing of money rates—all factors of importance in more normal times—were ignored or received with indifference. Sentiment among traders lost little of its pessimism but the want supply of certain stock available for short covering made for greater caution.

Shipping shares were the leaders. Motor shares rallied slightly from their low levels of yesterday. Petroleum was slightly more steady and munitions were apathetic with metals, except Tennessee Copper, which again lost ground.

Summers suffered from further attrition, but the additional depreciation in quoted values among this group was attributed quite as much to over-extended bull accounts as to statistical or trade developments.

United States Steel, which was relatively inconspicuous, held steady with rails most of the day, but the latter shaded in the final hour, though only nominally.

Bond were irregular. Total sales, par value, \$3,480,000.

U. S. Bond were unchanged on call.

## SEATE CONFIRMS FARM LOAN BOARD.

WASHINGTON, Aug. 4.—The Senate has confirmed unanimously the nomination of Chas. E. Lobdell, Great Bend, Kansas; Geo. W. Norris, Philadelphia; S. A. Smith, Sioux City, Ia., and Herbert Quick, Berkeley Springs, W. Va., as members of the new farm loan board. There was not opposition.

BOSTON, Aug. 4.—Considering the dullness the local market holds remarkable well. There does not seem to be any pressure to sell stocks and all we need now is some large copper sales to get the copper stocks moving upward.

The New York list is still very spotty, with the traders making most of the prices. The motor issues have been sold down to a point where they should be bought for a turn. The rails continue to hold fairly well in spite of threatened strike. Would buy the good rails and coppers.

Copper 26 1/2 27.

COLUMBUS, N. M., Aug. 4.—The body of an unidentified man, believed to be that of an American was found today by workmen engaged in building a road near Ojo Frederico. According to General Pershing's headquarters the man apparently had been

dead some weeks but no reports have been received here of anyone missing from the expeditionary column.

Two columns of the First New Mexico national guard left tonight for Hachita, N. M., where they will cooperate with the cavalry border patrol.

BATTLE OF HEARTS  
WILLIAM FARNUM ATWILLIAM FARNUM AT  
ROYAL IN BIG PLAY

Fox Star Appears Today and Sunday in "Battle of Hearts." Great Story.

"Battle of Hearts," which appears at the Royal today and tomorrow and starring the talented actor William Farnum, is the first filmed story of sea life presented by William Fox, the maker of vital feature films. In this picture, just released, Mr. Farnum acts the part of a noble sailor character, brave and capable of great self-sacrifice. He is in love with a sea captain's daughter, a part taken by Elida Furry, his new leading woman, but through the plots of the villain of the story the girl does not realize the capacity of his love until the end of the play.

Incidentally to the story, which was enacted on Catalina Island, off the California coast, there is a shipwreck in which both Mr. Farnum and Miss Furry figure. The excitement as produced on those viewing the picture is no less than that of the actors, who were in real personal danger during the making of this part. The heroine's other love becomes a smuggler of the coast, and the plot includes some thrilling adventures of the male star with the seacoast outlaws on the rocky cliffs of Catalina.

The scenes of the little fishing village are most accurately portrayed. The village was built for the purpose by Director Oscar C. Apfel, and the fishermen and fishermen are shown true to type. The picture play has a happy ending, the wronged fisherman finally winning his love and the villain being properly exiled from their lives.
